

Boost Your Visibility at IFAT!

Limited Opportunity

We are now finalizing Issue No. 2, dedicated to Energy from Residues and Residue Treatment - a highly targeted edition reaching key decision-makers in the bioenergy and waste-to-energy sectors.

Alongside our regular advertising and editorial features, we're launching a special promotional opportunity: the Global Suppliers Directory, created specifically for companies exhibiting at IFAT and other major industry events in the coming months.

To further amplify your presence, we're also releasing a pre-IFAT newsletter campaign - designed to drive visitors directly to your stand and ensure your brand stands out before the event even begins.
